Budget Opening Memo

Per IC 31-1605, the County may hold a public hearing to revise the budget due to the collection of unanticipated revenue and the use of Remaining Cash. Attached is the Resolution for the FY2026 Budget Opening, the required notice, and a detail of the approved uses of funds. In the General Fund, a total of $2,332,230 in remaining cash is needed primarily for the $2,000,000 Teton Creek Resort lawsuit and various smaller capital items.
Remaining cash in the Road & Bridge fund was used to purchase a Dump Truck with plow, wing and pup trailer.
Remaining cash in the Weed Fund was used to purchase a drone for weed spraying.
Funds from the Teton Valley Parks & Rec District were used to purchase a vault toilet for the Teton Creek Corridor Trailhead.
Remaining cash in the Recreation Impact Fee Fund was used to connect water and sewer.
