

TETON COUNTY COMMISSIONERS

Growing up under the Tetons, a person learns pretty quickly the value of hard work, community, and showing up when it matters.

My name is Kayden Driggs, and I have been fortunate to call this place home my entire life. Some of my earliest memories are feeding cows before school, riding horse alongside my Grandpa Beard, and spending winters skiing at Grand Targhee. Life here has also meant long summer days working, helping neighbors, hauling hay, fixing fence, and being involved in the kind of community where people take care of each other.

These experiences have shaped who I am and taught me the importance of responsibility, leadership, and staying connected to our roots. I care deeply about preserving the tradition and opportunities that make Teton County such a special place to grow up.

Because of that, I am writing to express my interest in serving on the Teton County Fair Board.

I am currently involved with the Tetonia Rodeo Grounds Committee, where I've had the opportunity to help improve and support a space that brings our community together. I also served as the Idaho FFA President, which has given me valuable leadership experience, strengthened my communication skills, and allowed me to represent and advocate for agricultural youth across the state.

Through these roles, I've learned how to work with others, organize events, and contribute to something bigger than myself. I would bring that same work ethic and commitment to the Fair Board, with a focus on supporting youth programs, maintaining strong traditions, and helping the fair remain a highlight of our community.

It would be an honor to give back to the place that has given me so much.
Thank you for your time and consideration.
Respectfully,

Kayden Driggs
